

VIRTUAL

LEARNING  COLLEGE

INFORMATION BOOKLET

2024 | **2025**
ACADEMIC YEAR

Welcome To Virtual Learning College

Welcome to Virtual Learning College, your home for a transformative and accessible online learning experience.

We are thrilled that you are considering joining our vibrant community of learners who are redefining education in the digital age.

In today's fast-paced world, education must be as dynamic and flexible as the lives of our students.

That's why we have built a virtual college that blends the best of traditional learning with the power of modern technology.

Here, you will find engaging, live online classes led by dedicated educators who are passionate about helping you succeed.

We look forward to working with you very soon.

A handwritten signature in black ink that reads "Zubair Khan". The signature is fluid and cursive, with a horizontal line underneath it.

Zubair Khan *BSc Hons, PGCE*

Founder

Students We Work With

Anxiety Disorders

Teenage Mums

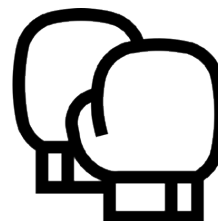

Young People in Care

Medical Needs

School Refusers

Challenging Behaviour

Special Educational Needs & Disabilities

Young People in Hospital

Lesson Structure

Monday to Friday

10am - 12pm Session 1

1pm - 3pm Session 2

Subjects We Offer

- GCSE English Language
- GCSE Mathematics
- GCSE Science
- Functional English
- Functional Maths

Safeguarding

- Secure access using password-protected meeting links or unique logins for each session to prevent unauthorised access.
- Daily attendance monitored, data accessible to referral agencies via weblink & app
- Safe and well checks are conducted on vulnerable students to ensure regular attendance is made
- Home visits are carried out on those who miss their lessons for 2 consecutive days
- Unsuccessful home visits result in referrals being made to children missing in education

“I really enjoy the live online lessons because I can learn from the comfort of my home.

The lessons are interactive, and I like being able to ask questions in real time.”

What's Included?

- Office 365 set up
- Remote PC Configuration

Feedback From Students

Advantages

- Learning at own pace
- Fewer distractions
- Instant Feedback
- Easier for shy students to participate
- Flexibility with times and learning
- Cost saving with travel
- Less likely to miss lessons
- Good structure to the lessons
- Able to go back into classroom based learning

Disadvantages

- Technical issues with broadband
- Less hands on experience
- Less social interaction
- Harder to motivate unless the teacher is on point
- PC issues
- Have no internet at home
- Have no PC at home
- Cannot write (a digital pen would allow students to interact in the lesson)

"My child really enjoys the live online lessons. The interactive activities and group discussions have helped keep them engaged and excited about learning."
